

As of October 2018, Board of Trustees agendas will no longer be published in the Agenda Center.

Instead, all future Board of Trustees agendas are available to view in our new online agenda system at <http://www.pittsfield-mi.gov/BOTAgendasAndPackets>, giving us the opportunity to streamline and provide you with a more user-friendly agenda.

To receive a notification when agendas are published, please subscribe to the Board of Trustees Notify Me list by visiting the link below:
