Supervisor Mandy Grewal Announces Creation of 1200 Jobs in Pittsfield Township

Ann Arbor (September 22, 2009) – Following an aggressive focus on economic development, Pittsfield Township has successfully attracted Systems In Motion to Pittsfield Township. This will mean 1,200 jobs over the next 5 years in the area of information technology for not just Pittsfield but Washtenaw County.

“It is very gratifying to see the strong focus I have created around economic development come to fruition. This success is, no doubt, the result of a tremendous partnership with regional economic development partners, especially Ann Arbor SPARK. I want to thank them and the members of my Economic Success Strategies Commission for working hard to place Pittsfield Township as a center for high-technology and green jobs,” noted Supervisor Grewal.

Systems in Motion was approved for a MEGA credit by the Michigan Economic Development Corporation (MEDC) at their September 22, 2009 meeting in Lansing. The company has leased an 8000 sq. ft. space at the Valley Ranch Business Park in Pittsfield Township.

Company representatives will be attending Pittsfield Township’s first annual B2B Mixer on Thursday, September 24, 2009 at the Administration Building, 6201 W. Michigan Avenue (SW corner of Platt and Michigan Avenue) from 5:00 PM to 8:00 PM.
