Explore, Create & Learn @ Passport2Pittsfield (May 15th)

Pittsfield Township (May 9, 2016) – Everyone is invited to stop by at any one of five Township facilities (public safety, utilities, fire station 1 & 3, parks/senior center, and the administration building) and participate in family friendly activities during the Passport-2-Pittsfield (P2P) Event on **May 15th from 1:00 PM to 4:00 PM**. It is a day to explore, create, and learn about your Township and local government.

“Having hosted this event since 2009, it has become a tradition for us to do our spring cleaning and throw open the doors to township buildings so our community can tour the facilities, shop at the farmers market, touch a truck and – as always – use recycled materials to envision and build a virtual Pittsfield Township!” noted Supervisor Grewal. “There will be something for everyone to explore, create, & learn.”
