Pittsfield Charter Township Department of Building Services COVID-19 Operation Plan

The Department of Building Services is currently conducting Building, Electrical, Mechanical, and Plumbing inspections; however, inspections will be **limited** to those required to move construction forward and inspections where a wide and clear path can be provided to maintain safe distancing. Property maintenance inspections for rental properties remain suspended until further notice. All job sites are required to adhere to all provisions of Executive Order 2020-70.

The Building Services Department is currently open to the public by **Appointment Only** and in-person meetings must be made through previously scheduled appointments. We are accepting permit applications via mail or the drop box located in the front lobby at the Administrative Office. **For appointment scheduling or additional information regarding our available drop-box, please contact us at 734-822-3125.**
