RE: Important Information—Price Changes

Dear Office of the Supervisor:

At Comcast, we are always committed to delivering the entertainment and services that matter most to our customers in Pittsfield, as well as exciting experiences they won't find anywhere else. We are also focused on making our network stronger in order to meet our customers' current needs and future demands. As we continue to invest in our network, products, and services, the cost of doing business rises. Rising programming costs, most notably for broadcast TV and sports, continue to be the biggest factors driving price increases. While we absorb some of these costs, these fee increases affect service pricing. As a result, starting December 18, 2022, prices for certain services and fees will be increasing, including the Broadcast TV Fee and the Regional Sports Network Fee. Please see the enclosed Customer Notice for more information.

We know you may have questions about these changes. If I can be of any further assistance, please contact me at 248-924-4917.

Sincerely,

Eric Woody
