September 28, 2023

Dear Pittsfield Township Resident,

This letter is to inform you that the Township's residential waste services provider, Republic, is transitioning to Priority Waste, which is contractually obligated to continue current service provision.

What does this mean for you?

1. During the time of transition (October – December), there might be some variability in the pick-up *time* (NOT day of week). In other words, Priority will spend the first few months to make sure that the time of the day when they implement pick-up is optimal. The day of the week (e.g., Tuesday or Friday) when your pick-up currently occurs will remain unchanged.
2. Priority has informed us that they will NOT switch out your current garbage and recycling carts from Republic. The change to Priority carts will occur only as and when your carts are in need of replacement, as you report the same to the Township.
3. Priority is unclear as to when they will implement the transition from Republic trucks. As and when that occurs, please find photos of Priority trucks on the other side of this page.
4. There will be no additional costs or charges as a result of the transition from Republic to Priority.
5. Your contact for questions or concerns about either garbage or recycling management remains unchanged since Township staff will continue to function as your liaison to the service provider. In other words, please continue to stay in touch with us at [utilities@pittsfield-mi.gov](mailto:utilities@pittsfield-mi.gov); or 734.822.3105

For your information, here is the list of communities that are currently serviced by Priority Waste:

Bloomfield Twp	Mount Clemens
Corunna	New Baltimore
Dearborn Heights	Taylor
Eastpointe	Utica
Flint	Village of Dryden
Gibraltar	Washington Twp
Grosse Ile	Westland
Hamtramck	Mid Michigan Waste Authority

Thank you for your partnership, cooperation, and patience as we continue to work toward Setting the Gold Standard in Public Service here in Pittsfield Township.

Mandy Grewal, Ph.D.  
Township Supervisor
